Foreword

As you look back through the years and try to recapture the joys of your high school days, we hope that THE BRUIN can bring back the wonderful memories which should not be forgotten. We hope that you in years to come, will never forget your classmates with whom you have had so many good times nor the teachers who have tried so hard to keep you on the right track.

We sincerely hope that THE BRUIN can help you relive these priceless memories, so to you, the students, we present this

The Bruin of 1951

Dedicated To

MRS. ALBERT W. BRINSON

who has for many years been a teacher in the high school. She is the one who has given up her time and her wants to participate in the high school activities, to help the students when they need it and who is most loved by all of the students. Without her, many little things which help run a high school smoothly would go undone.

To show our appreciation of everything you have done for us, we gratefully dedicate to you, Mrs. Albert Brinson, this

THE BRUIN OF 1951

Dedicated To

DOCTOR AND MRS. OSCAR A. KAFER II

who have for many years worked toward the betterment of our high school. They have been very active in creating interest in the school bond election for they realize just how important it is that the boys and girls of today receive a better education than that received by their fathers. They are working toward a goal which will benefit every one in and around New Bern—a new public high school. A goal which we, the students of New Bern high school, appreciate.

To thank you, Dr. and Mrs. Oscar A. Kafer II, for all you have done in aiding us, we gratefully dedicate to both of you, this

THE BRUIN OF 1951

In Memoriam

Bobby Daniels, our classmate who lost his life as a result of a traffic accident, November 9, 1949.

Although Bobby isn't with us physically, his carefree manner and fun-loving nature will be with us in our work, our play, in everything we do.

Student Council

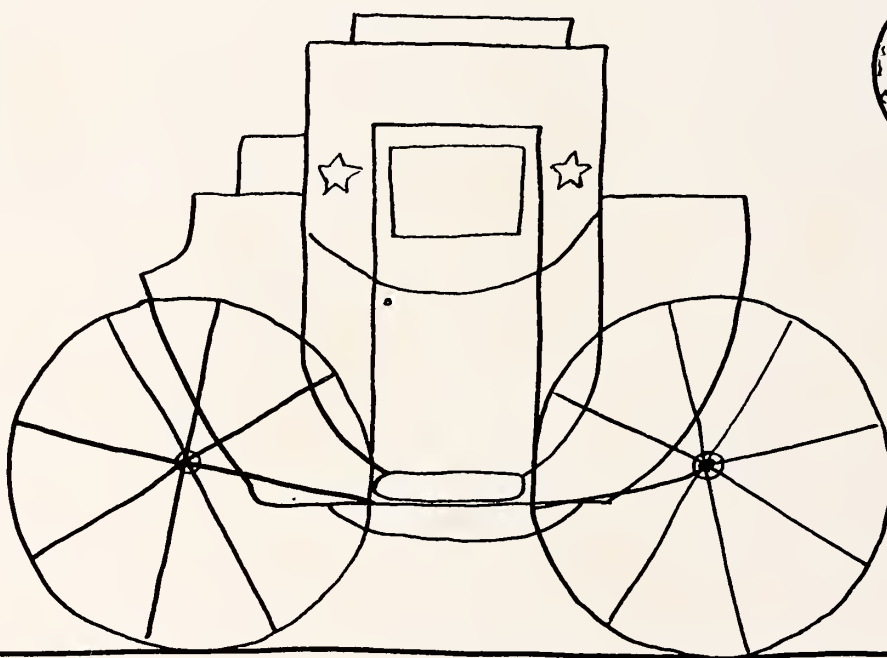

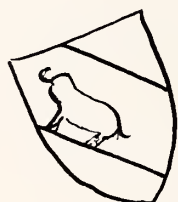

First row: Dot Coplon, Carolyn Wood, Jack Menius, Treasurer; Jim Lane, Sergeant-at-Arms; Ann McSorley, Joe Anthony, Emalou Harman. Second row: Mrs. Sara Hunnings, Adviser; Agnes Barden, Secretary; Joe Mavretic, Vice-President; Jack Gaskins. Last: Dollie S. Bray, President.

The coöperative Student Council of New Bern High School aims to promote better relationship between the faculty and students and promote projects that will be beneficial to all. The election of members is patterned after our democratic elections.

This year the council has sponsored an orientation day, published a handbook, had daily devotionals, a homecoming pep rally and dance, and with the aid of other organizations a Sadie Hawkin's Day.

We have been striving to render useful service to both student and faculty, and hope that as you glance back you can see evidences of your student council at work.

Class History

Entering high school as Freshmen, we were a little green and did not know which way to turn. As we became accustomed to high school ways we elected our class leaders: President, Ann Armstrong Beck; Vice-President, Marea P. Kafer; Secretary, Betty Lou Abbott; and Treasurer, Worth Dees. That year we sponsored a Freshman dance, held at the Recreation Center. What a class and what a dance we had!

In September of '48 we again entered high school; this time as "silly sophomores." We did the same thing that year, elected officers and had an informal dance (we were the ones with "itchy feet") at the Recreation Center and that year we elected Sophomore Superlatives. Our officers were: President, Emalou Harman; Vice-President Joe Anthony; Secretary, Becky Barnhardt; and Treasurer, Sonny Taylor. Oh, for the life of a sophomore, what fun we did have!

Our third year in high school came around making us Juniors. That year we lost one of our classmates, Bobby Daniels, a fellow we have all missed. That year proved to be the busiest, for we had a Jr.-Sr. to sponsor. To raise money our officers: President, Laurence Stith; Vice-President, Joe Anthony; Secretary, Becky Barnhardt; and Treasurer, Albert Brinson, got christmas cards and stationary for us to sell. Our jamboree really helped to fill our bank. The banquet and prom were given May 12 and we all agree "that it couldn't be beat."

Now we are the dignified and sophisticated Seniors, completing our high school careers. This year we can take it easy and await graduation when we will make our own path in life.

The class of 1951 has always been successful and if we continue to work together, peacefully, we can rightly be named "The Most Successful Class of New Bern High School."

Success in '65

Now that we have become successful and have proven our worth in the world, we're going to take a six months voyage on the good ship, "U.S.S. Freedom."

Guiding us on our world tour is the Admiral Bud Franz, who is ably assisted by Edwin Dickinson, first mate; Hilton Elks, second mate; and Albert "Runt" Price and Richard Stephenson, stewards. The maintenance crew includes: Bobby Ballard, chief engine oiler, Billy Davis and Mary Kate Flowers as Bobby's assistants, and Worth Dees wireless operator. Navigated by James Bengel the good ship leaves New York enroute for London, where we will pick up Billy Flowers and Peggy Needham, the calculus and chemistry professors at Oxford. They are met by the ship's veterinarian Bill Smith and nurses Bettie Rabon and Carol Hargett to administer Hodge's "Keep-The-Irk-Inside" pills discovered by the world renown Joseph Hodge.

From London we journey to Paris to pick up those well-known socialites, Katherine Whitford and Ann Woolard escorted by those Parisian acrobats Forney Hoke and Glenn Eure. Also in Paris we pick up the famous fashion designer Betty Lou Abbott and her priceless model, Sally Paul. At Madrid we secure Stewart Burgess, the famous Spanish matador and Stamey Everhart, the toreador. On our way back to the boat, while traveling through the countryside, we pick up the well-to-do wine merchant Billy Brinkley and his wife, the former Miss Betty Blanchard, who are busy raising little "deVines." We also meet Joe Salter their wine connoisseur.

We board our ship and proceed to Africa where we meet the "eminent medical missionary," Dr. Dollie S. Bray. From Africa we travel through the Mediterranean Sea to the Suez Canal. Here, in Cairo, we meet the Director of School Rehabilitation for that area, Marea P. Kafer, who is assisted by Agnes Lowdermilk.

In Arabia we pick up Mark Skinner, the proprietor of the Oasis Soda Shop and his soda jerk Mary Hebert. Our next stop is India where Laurence Stith and his harem, namely, Judy Wellons, Mildred Critcher, Lillian Day and Judy Davidson, come aboard to entertain us.

At Hongkong, Gene Davis and the Mrs. (Sylvia Gardner) supervise the exporting of tea to the U. S. for their vast "Slurpo Tea Company" jointly managed by Frank Melvin and Preston Eakes. Gene and Sylvia are furnishing the reunion with their "Slurpo Tea." While we are here, we also pick up Ann Whitford and Kathleen Duffy, the U. S. representatives of the "See Thru Silk Company." William Roberts, the successor to General MacArthur in Japan, flies in his private plane to Hongkong where he meets us.

Journeying to Honolulu we spend a pleasant six hours where we are met by the famous dancer Carolyn Riddick Scott and her troupe. Sight seeing while waiting for the boat to be refueled we are presented a pineapple at Jack and Emalou Gaskins' giant pineapple plantation. Later we are invited to a reception at the governor's mansion. The governor Marshall "Sonny" Taylor, is also an alumnus of N.B.H.S.

We travel non-stop to the "golden gate" of San Francisco where we are met by Pat Epting's and Billy Hawkins' fleet of "Red and Black" taxicabs. The mayor, Ronald Sinclair, and the Aldermen, Halbert Brinson, Gerald Dennis, Thomas King and James Westbrook present us with the key to the city. Before leaving California we are invited to the University of California at Berkley where Jean Ward and Kathleen Ballard have conferred upon them the honorary degree, Dr. of Humanity. Here we board Pat Hunnings' and Tommy Karam's new jet fleet which whizz us to Yellowstone National Park. The superintendent, Avis Armstrong and the head forest guide, Gerald Game, meet us at the airport in a station wagon newly designed by Bobby Spears and manufactured by Robert Hardy, "Hardy's Station Wagon Co."

In South Dakota those corn-raising farmers Bobby Potter and Margaret Blackwell present us with the corn to make the corn fritos for our reunion banquet.

Chicago, our next stop, is the home of Junie Lingman's and Roy Holton's "*You raise 'em We butcher 'em*" meat packing plant. Roy and Junie are graciously supplying the meat for the banquet.

In Michigan the ex-skiing champion, Madic Taylor owns a resort lodge where she has in her employment, Joanne Lucas and Shirley McKinney, advertising managers.

We travel from Michigan to New York by way of Patsy Rivenbark's Private Railway Line. Patsy's engineer, Bill Salter, beat the world's record from East Lansing to Grand Central Station by four minutes.

Hardy Swindell and Bunk Stewart, the owners of the Harlem Globe Trotters meet us at the station and guide us to the "Waldorf-Astoria" owned by Patsy Taylor and operated by Helen Whitty, where the first five floors are reserved for the alumni of N.B.H.S. Nellie Cole, her all girl orchestra, and Billy Barfield, the vocalist, entertain us at a tea dance given by Miss Taylor, the hotel owner. Meeting us at the tea dance are Joe Anthony, presiding Bishop of the Episcopal Church of the U. S. and Mary Lane, the U. S. delegate to the United Nations.

Journeying to Pittsburg by way of train we switch on our "Little Gem" radio invented by Betty Tooker, manufactured by Mary Louise Uhlman, and hear the world famous news commentator, Ronald Fellows. Meeting us at Union Station is Jack Menius, president of the combined forces of General Electric and Westinghouse Co. From Pittsburg we travel to Washington where we add Agnes Barden, N. C. Congressional Representative from the 3rd district and George Pate, N. C. Senator, to our group.

Our next stop is Richmond where we meet Maxine Fulcher, the manager of Miller and Rhodes Dept. Store accompanied by her personal secretary, Shirley Riggs. At Richmond we again board Hunnings' and Karam's jet planes which take us to Simmons-Knott airport in New Bern now managed by Alstine Wise and Phyllis Woodard. Here we are greeted by a reception committee headed by the mayor, Peggy Davis and the City Manager, Dolores Brown. Barbara Potter's ferry line transports us across the Trent River where special cars owned by Edna Prevost take us to the Hotel Queen Anne whose new owner is Jane Smith.

The night after arriving in New Bern we attend the opening performance of Marcheta Jackson's new play starring that acclaimed actor Tommy Brite. The play is to be held in Robert Haskins' new million dollar Masonic Theater. During intermission Janice Hales serves us her delicious chocolate milkshakes while Eva Bynum entertains us with her intricate dancing. Afterwards we have coffee and doughnuts at Hamiltons served to us by the manager, Albert Brinson and head waitress, Pat Dunn.

The next day there is a feature article in the *Sun Journal* concerning our reunion written by the editor of the paper, Rebecca Barnhardt. The society editor, Janice Boykin is to write up the article on the reunion banquet and Joan Bray, the linotype operator, will set up the type.

The night of the eagerly awaited banquet arrives and the late comers include: the former Betty Jo Albritton who has come all the way from Wintergreen and our former classmate, Barbara Coble, who is now residing at Asbury; Paul Ellis, the proprietor of the Bop Shop and a teacher of modern bop for fifty cents an hour; Roger Williams, who is now the owner of Williams Electric Co. formerly Fagans; and last of all that famous N.B.H.S. football coach, Charles "Wimpy" Henderson.

Our toastmaster, Tommy Brite, gives us several interesting accounts of his career on the stage. The reunion is a huge success and N.B.H.S. can well be proud of the graduates of the class of 1951.

Class History

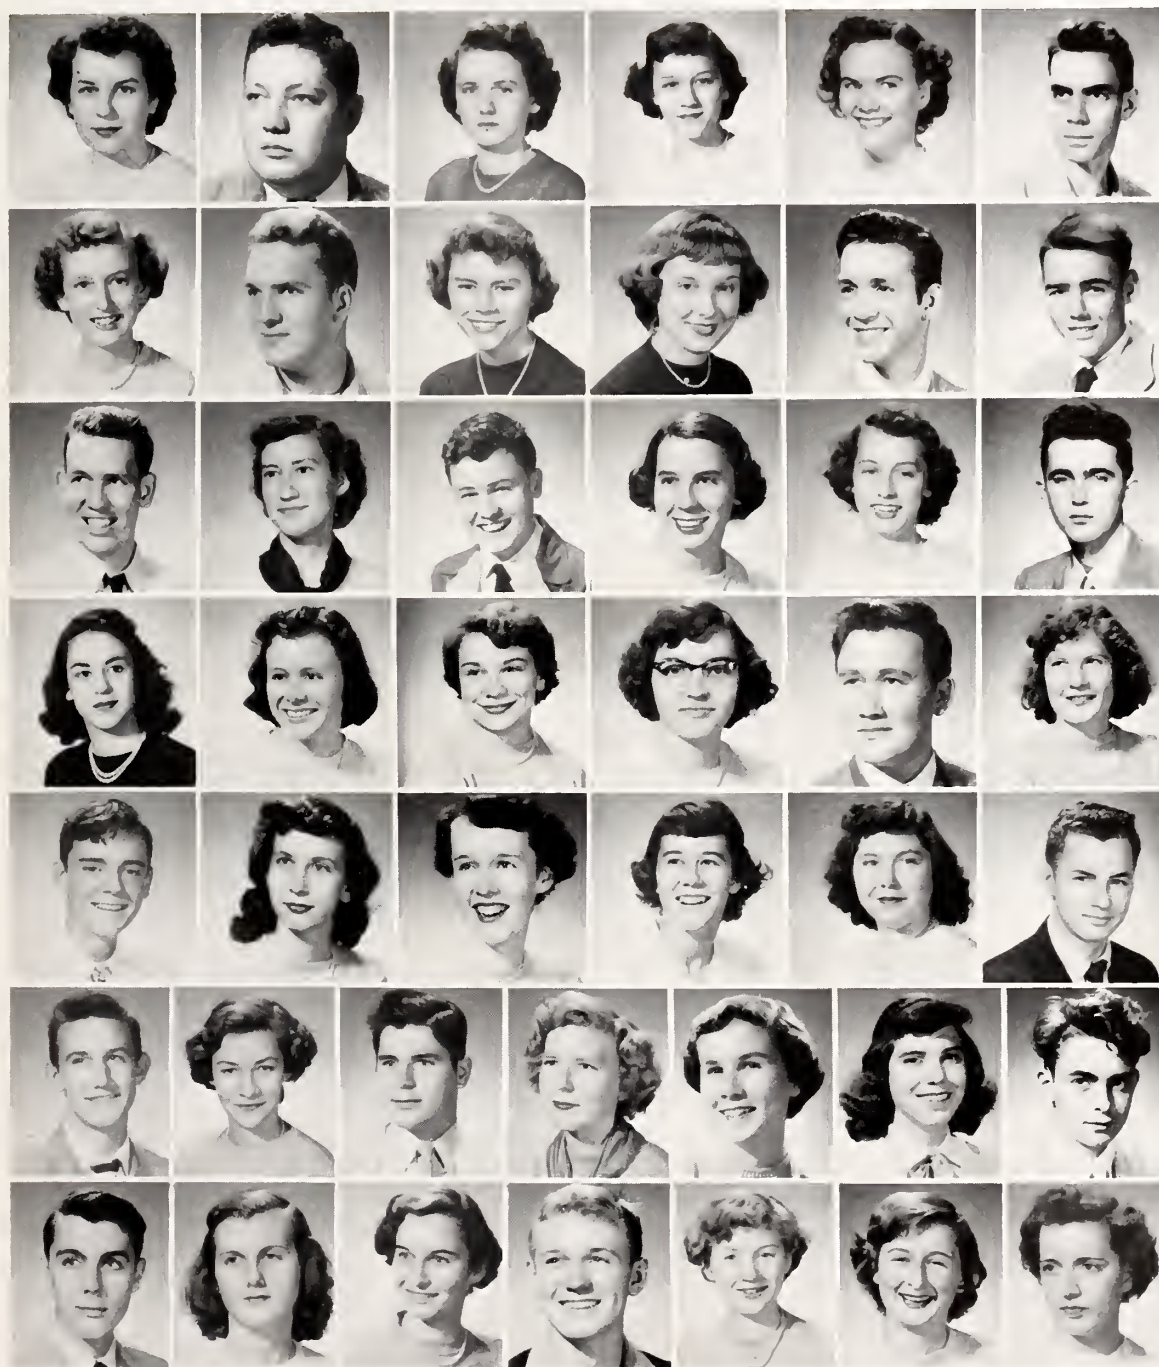

Our freshman year in N.B.H.S. was very mixed up. For the first time in our lives we had about five different teachers and so many new rooms to go to. We also had to put up with a lot of teasing about being "little Freshmen." Yes, it was a trying, but wonderful year. We'll always remember those football, and basketball games, and of course those hayrides. The Freshman class officers were: President, Barry Eubanks; Vice-President, Joe Mavretic; Secretary, Temple Daniel; and Treasurer, Joe Mac Harper.

Our second year in high school was so different than our first year. We were by this time already acquainted with N.B.H.S. We sponsored a Sophomore Dance and the proceeds went to our Junior-Senior. At the end of the year, we were all happy, to think that next year we would be Juniors. Our Sophomore Class officers were: President, Robert Shriver; Vice-President, Joe Pearson; Secretary, Mary Windley Dunn; and Treasurer, Bill Robinson.

Our Junior year in N.B.H.S. has been the best yet!!! At the first of the year we were rushing around trying to elect our class officers. Then we had dances after every football game, the proceeds going to the Junior Class for the Junior-Senior. We had a Halloween Ball which was a wonderful success. The students sold magazine subscriptions also for the purpose of raising money for the Jr.-Sr. Two big dances were held during the Christmas Holidays. Then came the big day when our Jr.-Sr. was to be. There was a band, good food, and everything turned out fine. Oh! yes the Jr.-Sr. of 1951 was the best of N.B.H.S.

Next year we will be Seniors and taking part in many activities and hoping we can receive that higher education.

Class History

Last year we were the timid freshmen of N. B. H. S. led by Joe Piner, President; Johnny Hoke, Vice-President; Dorothy Baker, Secretary; and Emily Hollister, Treasurer.

This year we are sophomores and have as our main project the task of raising money for our Junior-Senior next year. We had a talent show, "The Sophomore Review," and our performers were Sophomores as well as other students. The "Review" was a hit and the large audience proved that fact. We also had a sophomore prom; at this dance we named our superlatives voted on by the class and each was presented with small awards.

As all good things come to an end, so did our second year in high school, one of the best years, for we will never forget the good times we've had—the football games, bug collection, basketball, our prom, May Day, the new friends we've made and all of our teachers. All of us are eagerly awaiting our Junior year which will be the "next best" year of fun and the spectacular Junior-Senior which we think will be the best.

Class History

Greetings freshman! Our first year in N. B. H. S. is over and what a year it turned out to be; getting use to so many teachers, finding our way in the halls and being led by our capable class officers.

We are freshmen today but tomorrow we will be seniors. Doesn't seem possible, does it? No, it doesn't, but the next three years will fly by and we will soon be the seniors of N. B. H. S. Before our senior year there is one test we must pass—having the best Junior-Senior ever. Each year the junior class declares theirs is the best, but ours *will be tops!* To make it tops, we talked up the bond issue, which, if passed, will give us a new high school complete with a gym, cafeteria, and swimming pool. The only way to have the best Jr.-Sr. is to work hard and that we will do. Future Sophomores—it will be up to you, do your best for if anyone can—you, the future leaders of N. B. H. S.—can! Good Luck.

BASEBALL HIGHLIGHTS OF '50

The baseball season in the year 1950 was kind to the New Bern Bears. With their hard work and ever-increasing effort, the Bears were victorious in all but four games.

The game of the season was the one between New Bern and Greenville in which, Bunk Stewart struck out 23 opponents for an all-time record in Central High. Two close games with Kinston had to be continued in extra innings as did one with Roanoke Rapids. Hitting laurals went to James Westbrook who has been playing with the Bears for three seasons. Westbrook was also the best infielder for the Bears.

Co-captains Ed Hill and Jimmy Brown saw Stewart turn in win after win with his whip like pitching. Due to his fine pitching, Stewart was considered the most valuable player on the squad.

Coach Jim Dickey was highly pleased with the outcome of the season, but is looking forward to a better one next year. (As all coaches are.)

Fielding was the Bears greatest handicap, because practice periods had to be shortened due to schedule conflicts. The outfielders did a great job of breaking up the scoring opportunities of their opponents. Jack Carden was the outstanding outfielder.

The sluggers for New Bern were Carden, Skinner, and Westbrook with their long drives and triples. Bub Williams, who broke into the starting line-up the last part of the season, was the most valuable reserve.

Last but not least is catcher Hardy Swindell who was behind the plate every game of the season and who instructed the other catchers.

The starting line-up: 1st, Jimmy Brown; 2nd, Forney Hoke; 3rd, James Westbrook; SS, Jack Gaskins and Jack Carden; CF, Jack Carden; LF, Mark Skinner; RF, Ed Hill and Bud Williams; Catcher, Hardy Swindell; Pitchers, Bunk Stewart, Fred Taylor, Sonny Taylor, Jack Gaskins.

Marshals

Left to right: Marea Penney Kafer, Joseph Anthony, Agnes Barden, J. Worth Dees, Peggy Parks Needham, *Chief Marshal*; Thomas Brite, Ann Page Woolard, James Bengel, Lillian Day.

The marshals of New Bern High School are students selected from the Junior class, who have maintained an average of 90 or above during their three years in high school. Nine students are selected and the student having the highest average is the chief marshal and the other eight, four boys and four girls, are her assistants.

The eight marshals usher at the Baccalaureate Sermon and the graduation exercise and the chief marshal leads the seniors to their respective places.

Being chosen a marshal is an honor which comes to those who have made high grades since entering high school. It is a goal towards which all high school students, especially the freshmen, should work.
